BACHELORS, MASTERS, AND PHD GRADUATES
From the UCSB Geography Department
1967-2003

1 The Department first offered a Bachelor of Science in 1993.
2 A major in Geography (the Bachelor of Arts) was first offered in 1966. The data on the graph from 1966-1967 through 1977-1978 are from mailing lists. There may be a few more people in each year than are on the graph, since there is no way to ascertain the completeness of the mailing lists. From 1978-1979 onwards, the data are from records kept by the Department.
3 The Department first offered a Masters in 1978.
4 The Department first offered a PhD in 1980.
